## Get hands dirty for Easter art

**T**HE annual Easter Art Exhibition now has a new sculptor category thanks to Tony Berry from Sovereign Hills.

Hastings sculptors can now participate in the Port Macquarie Art Society event, which has a prize pool of one thousand dollars. Art society president Michael Marsh said it was exciting to be able to launch the new section. "The portrait category of the show is very well established and the art

society is pleased to encourage local sculptors as well," he said. "The new sculpture category has created a buzz within local art circles, with many sculptors committing to the new category."

Sovereign Hills has been a sponsor of the popular art event and is happy to continue its support. The Easter Art Exhibition will be held at Port Macquarie Panthers from April 11.
